Dear Mr Snow,

I am writing to advise you that Forrest residents held a General Meeting on Monday 13 February 2017 with a view to forming a Forrest Residents Group (FRG) and electing an Executive Committee.

A Forrest Residents Group, with an agreed Charter and an Executive Committee, to represent the interests of the community has now been established.

In accordance with residents' wishes, that Executive Committee seeks to be involved in future community consultations by the National Capital Authority (NCA) on any issues considered by the NCA that affect the suburb of Forrest and its surrounding area. Particular interests indicated by our members include combining land parcels, changes to land use (such as community to mixed use), and transfer of land to the LDA/ACT Government. Members also are keenly interested in any proposed changes to treed areas or proportion of green spaces, traffic management and roads, parking and heritage.

A copy of our Charter, as agreed at our meeting, may be viewed at www.forrestresidents.org

We may be contacted through our email address mail@forrestresidents.org.au

Sincerely,

Margaret Atcherley

Chair
